Plan

The picnic table set is used in parks & gardens outside the Central City.

The picnic sets should be positioned to take advantage of summer shade, winter sun and any interesting views or activities, and ideally located near BBQ's.

For picnic table sets located within Docklands, the frames are fabricated from grade 316 stainless steel elsewhere they are fabricated from galvanised steel and powder coated Dulux 'Deep Brunswick Green' 6134G. Seats are clad in timber battens, and the table top is grade 316 perforated stainless steel sheet. The fixing detail is with a gib key and socket.

Concrete Slab to be 'Charcoal' coloured, achieved by adding 15kg/m<sup>3</sup> black oxide 'Bayer 318', or approved equal, to concrete mix prior to pouring.

For fabrication & installation drawings, refer to City of Melbourne, City Design drawings; Project No: 900857 Park Picnic Set
