Council Meeting No. 42, 12 December 2023

14.2, Transition of Commonwealth-funded aged care services

1. *That Council:*
 - 1.1. *Approves transitioning out of the delivery of the Commonwealth Home Support Programme Sector Support and Development and Social Support Group services at the end of the Australian Government's grant agreement on 30 June 2024.*
 - 1.2. *Expresses the view that an appropriate proportion of savings achieved under the previous paragraph should be reinvested to meet the needs of older residents in the municipality, following a service review of Council funded healthy ageing programs.*
 - 1.3. *Requests management conduct such a service review and make a recommendation to Council on what proportion of savings should be reinvested.*
 - 1.4. *Requests management provide a report to Councillors before 30 December 2025 on the implementation and performance of the new arrangements after one year of operation.*
 - 1.5. *Requests the Chief Executive Officer to publish the decision at a time of her choosing.*
